

Sainthia visit report – 07th May 2022

On 07th of May, myself, Supriyo Mondal, our Treasurer, Goutam Majumder and student coordinator for that area, Suparna Sen, went to Sainthia, to check on the student progress.

Because of extreme summer heat, we decided to reach early as most of the students need to travel few kilometers by cycle. We stayed in nearby Suri previous night & reached Sainthia High School by 9:30am. Thanks to the Headmaster & our local mentor, Dr Suprakash Kar, school was open despite ongoing summer holidays.

Except three, all the students were either present or informed beforehand about their inability to join the individual review session because of prior engagements.

We had also asked Jatindra Nath De (from Bankura but studying BSc Agriculture in Vishwabharati) to join the session.

Another ex student, Payal Das also attended the session.
