

Sainthia visit report – 12th August 2023

On 12th of August, myself, Supriyo Mondal, our Treasurer, Goutam Majumder and student coordinator for that area, Suparna Sen, went to Sainthia, to conduct written test for new batch & check on the student progress.

Following activities have been conducted.....

- 1) Written Test + Background Interview for new batch intake. **21 students from Science stream & 6 students from Arts stream appeared.** We will do the 1st level shortlist based on score in written test + interview + Madhyamik Exam (Std. 10 Board) marks. Final list will be prepared in consultation with our local mentor, Dr Suprakash Kar.
- 2) Open session on career path with our existing students.
- 3) Individual session with the existing & few pass out students (details being shared).
- 4) On the way back we met one of our existing students from Bolpur outskirts (Kamarpara), who has passed Madhyamik Pariksha this year & now taken admission in Std. 11 (Sci).

Our thanks to our local ex-student, Mousumi Mondal (who has helped us as invigilator) & staff of Sainthia High School for conducting the whole thing seamlessly.
